# Piracy and Plymouth: Privateering, Profiting and Policing

What is the difference between pirates, privateers and smugglers?

Save event

Pirates and piracy hold an enduring fascination but who were the real life Jack Sparrows and Ann Bonny's - thieving criminals or entrepreneurial privateers?

Mixed-media presentations and hands-on activities will showcase the stories of piracy and smuggling through the ages, across the globe and in the South West.

- What drove the men and women involved in piracy and what were the dangers and risks of being caught?
- What is the difference between pirates, privateers and smugglers?
- How do we understand what are the modern-day equivalents of piracy and plunder?
- Is it bio-prospecting on the high seas or deep jungles, heritage crime or people smuggling?

Children can learn more about the role and lives of pirates by following an interactive Treasure Island hunt searching for clues amongst the exhibits and playing games to navigate their way round and find the treasure, finishing in a Virtual Reality green-room experience to give a sense of being on a real pirate ship and/or speculating on marine resources at the bottom of the ocean.

This event is open to all and no booking is required.
