Modelling Concept to Reality

Dr Carlos Perez-Collazo 10th Sep 2018

What is Physical Modelling O UK&CHN CORE

Reproduced with kind permission from Searaser Ltd.

Why Physical Modelling? OUK&CHN CORE

- Qualitative and quantitative assessment of designs response to waves, currents and wind
- Systematic variation of wave, current and wind conditions
- Investigation of different design options
- Easier and cheaper instrumentation then at full scale
- Calibration / Validation of numerical models
- Demonstration of performance to investors
- Significant cost savings by learning about problems before going to full-scale
