This is an abstract. It gives the reader an overview of the manuscript. Abstracts are required for all manuscripts. The Abstract should be self-contained (contain no footnotes or citations to references). It should be adequate as an index (giving all subjects, major and minor, about which new information is given), and as a summary (giving the conclusions and all results of general interest in the article). It should be approximately 250 words. The abstract should be written as one paragraph and should not contain displayed mathematical equations or tabular material.
